

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

CONSTITUTIONAL PROVISIONS IN RELATION TO ELECTIONS.

ARTICLE IV.

TIME OF HOLDING.] Section 2. An election for members of the General Assembly shall be held on the Tuesday next after the first Monday in November, in the year of our Lord, one thousand eight hundred and seventy, and every two years thereafter, in each county, at such places therein as may be provided by law. When vacancies occur in either house, the Governor, or persons exercising the powers of Governor, shall issue writs of election to fill such vacancies.

APPORTIONMENT—SENATORIAL.] Section 6. The General Assembly shall apportion the State every ten years, beginning with the year one thousand eight hundred and seventy-one, by dividing the population of the State, as ascertained by the federal census, by the number fifty-one and the quotient shall be the ratio of representation in the Senate. The State shall be divided into fifty-one senatorial districts, each of which shall elect one Senator, whose term of office shall be four years. The Senators elected in the year of our Lord one thousand eight hundred and seventy-two, in districts bearing odd numbers, shall vacate their offices at the end of two years, and those elected in districts bearing even numbers at the end of four years; and vacancies occurring by the expiration of term shall be filled by the election of Senators for the full term. Senatorial districts shall be formed of contiguous and compact territory, bounded by county lines, and contain as nearly as practicable an equal number of inhabitants; but no district shall contain less than four-fifths of the senatorial ratio. Counties containing not less than the ratio and three-fourths may be divided into separate districts, and shall be entitled to two Senators, and to one additional Senator for each number of inhabitants equal to the ratio contained by such counties in excess of twice the number of said ratio.

MINORITY REPRESENTATION.] Sections 7 and 8. The House of Representatives shall consist of three times the number of the members of the Senate, and the term of office shall be two years. Three Representatives shall be elected in each senatorial district at the general election in the year of our Lord one thousand eight hundred and seventy-two, and every two years thereafter. In all elections of Representatives aforesaid, each qualified voter may cast as many

votes for one candidate as there are representatives to be elected, or may distribute the same, or equal parts thereof, among the candidates, as he shall see fit; and the candidates highest in votes shall be declared elected.

ARTICLE V.

TERMS—RESIDENCE—DUTIES.] Section 1. The executive department shall consist of a Governor, Lieutenant Governor, Secretary of State, Auditor of Public Accounts, Treasurer, Superintendent of Public Instruction and Attorney General, who shall each, with the exception of the Treasurer, hold his office for the term of four years from the second Monday in January next after his election, and until his successor is elected and qualified. They shall, except the Lieutenant Governor, reside at the seat of government during their term of office, and keep the public records, books and papers there, and shall perform such duties as may be prescribed by law.

ELECTION OF.] Section 3. An election for Governor, Lieutenant Governor, Secretary of State, Auditor of Public Accounts and Attorney General shall be held on the Tuesday next after the first Monday of November, in the year of our Lord 1872, and every four years thereafter; for Superintendent of Public Instruction, on the Tuesday next after the first Monday of November, in the year 1870, and every four years thereafter; and for Treasurer, on the day last above mentioned, and every two years thereafter, at such places and in such manner as may be prescribed by law.

The returns of every election for the above named officers shall be sealed up and transmitted, by the returning officers, to the Secretary of State, directed to "The Speaker of the House of Representatives," who shall, immediately after the organization of the House, and before proceeding to other business, open and publish the same in the presence of a majority of each house of the General Assembly, who shall, for that purpose, assemble in the hall of the House of Representatives. The person having the highest number of votes for either of said offices shall be declared duly elected; but if two or more have an equal and the highest number of votes, the General Assembly shall, by joint ballot, choose one of such persons for said office. Contested elections for all of said offices shall be determined by both houses of the General Assembly, by joint ballot, in such manner as may be prescribed by law.

The county board in every case shall fix and establish the places for holding elections in its respective county, and all general and special elections, town meeting elections or town elections, shall be held at the places so fixed. The said polling places shall in all cases be upon the ground floor in the front room, the entrance to which is in a highway or public street, which is at least forty (40) feet wide, and is as near to the center of the voting population of the district as is practicable, and for the convenience of the greatest number of electors to vote thereat; and in no case shall an election be held in any room used or occupied by a saloon, dram shop, bowling alley or as a place of resort for idlers and disreputable persons, billar [billiard] hall, or in any room connected therewith by doors or hallways. No person shall be permitted to vote at any election, except in the district in which he resides: *Provided*, that the county board may, if it deem

The member of the county board of commissioners who represents the political party having the next highest number of votes upon said county board of commissioners shall have the power and authority to select (and the county board of commissioners shall appoint such selection when made) two persons who are legal voters as judges of election in each election precinct or district, which at the preceding general election gave in said election precinct or district, the higher number of votes to said political party having the next highest number of votes upon said county board of commissioners and said member of the county board of commissioners representing said political party having the next highest number of votes upon said county board of commissioners shall also select, and the county board

In case the three members of the county board of commissioners represent three different political parties, then in that case, the member of the county board of commissioners representing the political party casting the highest number of votes at the preceding general election in any election precinct or district shall select the two judges of election to serve in such election precinct or district, and the member of the county board of commissioners who may represent the political party casting the next highest number of votes at the preceding general election in any election precinct or district, shall select the one judge of election to serve in such election precinct or district: *Provided*, that if any county board of commissioners shall be composed of members who belong to any one political party entirely, then in that case the chairman of the county central committee of the political party casting the highest or next highest number of votes at the last preceding general election in each election precinct or district shall select the two judges of election, or the one judge of election, as the case may be, and the county board of commissioners shall appoint the said judge or judges of election so selected by the chairman of the above mentioned county central committee. Said election judges shall hold their office for one year from their appointment, and until their successors are duly appointed in the manner heretofore provided. The said county board of commissioners shall fill all vacancies in said office of judge of election at any time in the manner heretofore provided.

The members of the county board of supervisors belonging to the political party having the greatest number of votes upon said county board of supervisors shall elect (and the county board shall appoint the selection so made) the majority of the election judges in each election district or precinct in each township in which said political

party cast the highest number of votes at the preceding general election for Governor, and shall also select (and the county board shall appoint the selection so made) the minority judge of election in each election district or precinct in each township in which said political party cast the second highest number of votes for Governor at the preceding general election. The members of the county board of supervisors belonging to the political party having the second greatest number of votes upon said county board of supervisors shall select (and the county board shall appoint the selection so made) the majority of the election judges in each election district or precinct in each township in which said political party cast the highest number of votes at the preceding general election for Governor, and shall also select (and the county board shall appoint the selection so made) the minority election judge in the election district or precinct in each township in which said political party cast the second highest number of votes at the preceding general election for Governor: *Provided*, that if the county board of supervisors shall be composed of members who belong to any one political party entirely, then, in that case, the chairman of the county central committee of the other political party casting the next highest number of votes in said county at the preceding general election is hereby empowered and authorized to make the selection of the minority judge of election, who shall serve in each of the election districts or precincts in said county, and the members of the county board of supervisors are hereby directed to make the appointment of said minority judges of election for each election district or precinct as selected by the chairman of the above mentioned county central committee: *And, provided, further*, that where the county board shall be equally divided and two political parties shall be represented by an equal number of members, the selection and appointment of such judges of election shall be made as in the case where there is a majority of members on the county board belonging to one political party. The members representing the political party casting the highest number of votes in a township at the preceding election for Governor shall select the majority judges of election in said township, and the members representing the political party that cast the second highest number of votes at the preceding election for Governor in said township shall select the minority judges of election in said township, and the county board shall appoint the selection so made: *And, provided, further*, that where a supervisor shall be elected in a township, said supervisor representing a political party that neither has the highest nor second highest number of votes for members on the said county board, the said supervisor shall be authorized and empowered to select a majority of the judges of election in the precincts or election districts in said township, such persons to represent the same political faith or belief as said supervisor, and the county board shall appoint the selection so made. The members of the county board representing the political party casting the second highest number of votes in said township at the preceding general election for Governor shall

select the minority judges of election in said township and the county board shall appoint the selection so made. Such judges of elections shall hold their office for one year from their appointment and until their successors are duly appointed in the manner hereinbefore provided. The said county board of supervisors shall fill all vacancies in said office of judges of elections at any time, in the manner hereinbefore provided.

6. NOTICE OF APPOINTMENT.] [§ 34, Ch. 46, R. S.] Immediately on the appointment of such judges, the county clerk shall make out and deliver to the sheriff of the county, a notice thereof, directed to each person so appointed, and the sheriff shall, within twenty days after the receipt of such notices deliver the same to the several judges so appointed.

7. TERM OF OFFICE.] [§ 35, Ch. 46, R. S.] The judges so appointed shall be and continue judges of all general and special elections held within their respective precincts or districts until other judges shall be appointed in like manner.

8. VACANCIES FILLED.] [§ 36, Ch. 46, R. S.] If, at the time for the opening of any election, any person appointed or constituted a judge of election shall not be present, or will not act or take the oath to act in such capacity, the judge or judges present may appoint some other qualified elector to act in his place. If there be no judge of election present, or he refuses to act, such electors of the precinct or district as may then be present at the place of election, may fill the places of such judges by election from their number. The judges so appointed shall have the same power and be subject to the same penalties as other judges of election.

9. CLERKS OF ELECTION.] [§ 37, Ch. 46, R. S.] Each judge of election shall choose a person having the qualifications of a judge of election, to act as clerk of election, who may continue to act as such during the pleasure of the judge making such appointment.

10. OATH.] [§ 38, Ch. 46, R. S.] Previous to any votes being taken, the judges and clerks of the election shall severally subscribe and take an oath or affirmation in the following form, to-wit:

"I do solemnly swear (or affirm, as the case may be) that I will support the Constitution of the United States and the Constitution of the State of Illinois, and that I will faithfully discharge the duties of the office of judge of election (or clerk, as the case may be) according to the best of my ability, and that I have resided in this election district for one year next preceding this election, and am entitled to vote at this election."

11. BY WHOM ADMINISTERED.] [§ 39, Ch. 46, R. S.] In case there shall be no judge or justice of the peace present at the opening of the election, or in case such judge or justice shall be appointed a judge or clerk of election, it shall be lawful for the judges of the election to administer the oath or affirmation to each other, and to the clerks of election, and the person administering such oath or affirmation shall cause an entry thereof to be made and subscribed by him and prefixed to each poll book.

12. **CONSTABLES—COUNTY BOARD OR JUDGES, MAY APPOINT.]** [§ 43, Ch. 46, R. S.] The county board may appoint one or more constables to attend each place of holding elections and preserve order during the election; if no constable is appointed by the county board to attend any place of holding election, or if others shall be necessary to preserve order, the judges of election may appoint one or more constables for that purpose.

13. **SPECIAL CONSTABLE.]** [§ 44, Ch. 46, R. S.] The judges of election may appoint any suitable person to act as a special constable during the election.

14. **SUPPRESSION OF RIOT, ETC.—ARREST.]** [§ 45, Ch. 46, R. S.] Any constable attending such election may call to his aid a sufficient number of citizens to arrest any disorderly person or suppress any riot or disorder during the election. Whoever conducts himself in a riotous or disorderly manner at any election, and persists in such conduct after being warned to desist, may be arrested without warrant.

ARTICLE III.

REGISTRATION OF ELECTORS.

1. **BOARD OF REGISTRATION—MEETING—REGISTER.]** [§ 135, Ch. 46, R. S.] The persons authorized by law, or appointed pursuant to any town or city ordinance, to act as judges or inspectors of elections in any town, city or ward, or other election district or precinct shall constitute a "board of registry" for their respective towns, cities, wards, districts or precincts, and shall meet on Tuesday, three weeks preceding any State election, at 9:00 o'clock a. m., and proceed to make a list, as hereinafter prescribed, of all persons qualified and entitled to vote at the ensuing election in the election district of which they are judges, or inspectors, which list when completed shall constitute and be known as the "register" of electors of said election district. In election districts in towns which lie wholly within the limits of an incorporated city, a register of electors shall be made for all elections, whether general, special, local or municipal, in the same manner as herein provided in the case of State elections.

2. **MANNER OF MAKING REGISTER, ETC.—FIRST MEETING.]** [§ 136, Ch. 46, R. S.] Said registers shall each contain a list of the persons so qualified and entitled to vote in said election district, alphabetically arranged according to their respective surnames, so as to show, in one column, the name in full length, and in another column in cities, the residence by the number of the dwelling, if there be a number, and the name of the street or other location of the dwelling place of each person. It shall be the duty of said board to enter in said list the names of all persons residing in their election district, whose names appear on the poll list kept in said district at the last preceding election—in cities the number of the dwelling and the name of the street or other location, if the same shall be known to or can be ascertained by such board—and for this purpose said board is authorized to take from the office in which they are filed the poll lists made and filed by the judges or inspectors of such district, at the election held next prior

to the making of such register. In making said list, the board shall enter thereon in addition to the names on the poll lists, the names of all other persons who are well known to them to be electors in said district; and the names of all persons on the poll lists who have died or removed from the district shall be omitted from the register. The said board shall complete, as far as practicable, the said register on the day of its meeting aforesaid, and shall make two copies thereof, and certify the register and each of the copies to be a true list of the voters in said district, so far as the same are known. Within two days thereafter, the said original list, together with the list taken from the office, as aforesaid, shall be filed by said board in the office of the town clerk of the town in which said election district may be, but in counties not adopting township organization, said lists shall be filed with the judges or inspectors of election in the proper district, or, if such election district is in a city, then it shall be filed in the office of the city clerk of said city. And one copy of said list shall be kept by one of said judges or inspectors, and carefully preserved by him for use on the day or days hereinafter mentioned, for the revision and correction of the same. One copy of said list shall, immediately after its completion, be posted in some conspicuous place where the last preceding election in said district was held, and be accessible to any elector who may desire to examine the same or make copies thereof.

3. NEW ELECTION DISTRICTS.] [§ 137, Ch. 46, R. S.] In case a new election district shall be formed by the organization of a new town, or by the division of any town or ward, or the incorporation of a city or town, the judges or inspectors of election in the new district thus formed may make their registry of electors on the day prescribed by this Act, in such a manner as a majority of them may direct, and for that purpose may make a list, or cause to be made a certified copy of the poll list or lists of the district in which such new district is situated, or they may dispense with such list or lists and proceed to make a register of electors from the best means at their command. Said lists shall only embrace the names of such persons as are known to them to be electors in said new district, and shall be posted up and copies thereof made, as prescribed in the preceding section, and shall be corrected in the same manner that other lists are corrected.

4. REVISING REGISTER—SECOND MEETING.] [§ 138, Ch. 46, R. S.] The said board shall again meet on Tuesday of the week preceding the said elections, in their respective election districts, at the place designated for holding the polls of the election, for the purpose of revising, correcting and completing said list; and for this purpose, in cities, they shall meet at 8:00 o'clock in the morning and remain in session until 9:00 o'clock p. m., and in other districts they shall meet at 9:00 o'clock in the morning and remain in session until 4:00 o'clock p. m.

5. PROCEEDINGS OPEN—CORRECTIONS, ETC.] [§ 139, Ch. 46, R. S.] The proceedings of said board shall be open, and all persons residing and entitled to vote in said district shall be entitled to be heard by said board in relation to corrections or additions to said register. One of

the lists so kept by the judges or inspectors as aforesaid, shall be used by them on the day or days of making corrections or additions, for the purpose of completing the registry for such district.

6. REVISING REGISTER—ADDITION OF NEW NAMES.] [§ 140, Ch. 46, R. S.] It shall be the duty of said board, at their meeting for revising and correcting said lists, to erase therefrom the name of any person inserted therein who shall be proved by the oath of two legal voters of said district, to the satisfaction of said board, to be non-residents of said district, or otherwise not entitled to vote in said district at the election then next to be held. Any elector residing in said district, and entitled to vote therein, may appear before said board and require his name to be recorded on said alphabetical list. Any person so requiring his name to be so entered on said list shall make the same statement as to the street and number thereof, and where he resides, required by the provisions of this Act of persons offering their votes at elections, and shall be subject to the same penalties for refusing to give such information or for falsely giving the same, and shall also be subject to challenge, either by the judges or inspectors, or either of them or by any other elector whose name appears on said alphabetical list; and the same oaths may be administered by the judges or inspectors as now provided in case of persons offering to vote at an election; and in case no challenge is made of any person requiring his name to be entered on said alphabetical list, or in case of challenge, if such person shall make oath that would entitle him to vote in case of challenge at an election, then the name of any such person shall be added to the alphabetical poll list of the last preceding year.

7. COPIES OF REGISTER—FILING—DELIVERY TO JUDGES—VOTING—SWEARING IN VOTE, ETC.] [§ 141, Ch. 46, R. S.] After said lists shall have been fully completed, the said board shall, within three days thereafter, cause two copies of the same to be made, each of which shall be certified by them to be a correct list of the voters of said district, one of which shall be filed in the office of the town clerk of towns, and in the office of city clerks of cities, and one of which copies shall be delivered to said judges or inspectors. It shall be the duty of the said judges or inspectors so receiving such list, carefully to preserve the said list for their use on election day, and to designate two of their number, at the opening of the polls, to check the name of every voter voting in such district whose name is on the register. No vote shall be received at any State election if the name of the person offering to vote be not on the said register made on the Tuesday preceding the election, unless the person offering to vote shall furnish to the judges of the election his affidavit, in writing, stating therein that he is an inhabitant of said district and entitled to vote therein at such election, and prove by the oath of a householder and registered voter of the district in which he offers to vote that he knows such person to be an inhabitant of the district, and, if in any city, giving the residence of such person within said district. The oath may be administered by one of the judges or inspectors of the election, at the poll where the vote shall be offered, or by any other person authorized to administer oaths, but no person shall be authorized to receive compen-

sation for administering the oath. Said oath shall be preserved and filed in the office of the town or city clerk, or in case there be no clerk, then said oath shall be filed with and preserved by the judges or inspectors of the proper district. Any person may be challenged, and the same oaths shall be put as are now or hereafter may be prescribed by law.

8. POLL LIST AND REGISTER TO BE FILED.] [§ 143, Ch. 46, R. S.] After the canvass of the votes, one of said poll lists and said registers so kept and checked, as aforesaid, shall be attached together and shall be, on the following day, filed in the town or city clerk's office (as the case may be) in which said district may be, or in case there be no such clerk, then such poll lists and register shall be filed with and preserved by the judges or inspectors to be used by the board of registry in making the list of voters at the next State election; the other of the said poll lists and registers, so kept and checked, shall be returned to the office of the county clerk of the county in which said district may be, at the same time the returns of the election are made.

9. REGISTERS OPEN TO INSPECTION.] [§ 144, Ch. 46, R. S.] The registers shall at all times be open to public inspection, at the office of the authorities in which they shall be deposited, without charge.

10. PRESERVING ORDER.] [§ 146, Ch. 46, R. S.] The said board shall have and exercise the same power in preserving order at their meetings, under this Act, as are given to judges or inspectors of elections for preserving order on election days; and vacancies in said board shall be filled in the same manner that vacancies are now filled at elections.

11. BLANKS TO BE FURNISHED.] [§ 148, Ch. 46, R. S.] The necessary blanks for making the registers required by law shall be prepared by the Secretary of State, and transmitted to the persons entitled to receive them, in the same manner that blank returns of elections are now transmitted.

12. EXCEPTIONS.] This article does not apply to cities, villages and incorporated towns that have adopted an Act entitled, "An Act regulating the holding of elections and declaring the result thereof in cities, villages and incorporated towns in this State," approved June 19, 1885.

ARTICLE IV.

COMPENSATION OF ELECTION OFFICERS.

1. JUDGES AND CLERKS.] [§ 63, Ch. 46, R. S.] All judges and clerks of election in counties of the first and second class shall be allowed the sum of three (3) dollars per day for their services, and judges and clerks of election in counties of the third class the sum of five (5) dollars each per day for their services.

2. SPECIAL CONSTABLE.] [§ 44, Ch. 46, R. S.] Constables serving at elections, by appointment of the county board or of the judges of election, shall be paid out of the county treasury not exceeding two dollars for each day's services.

3. BOARD OF REGISTRATION.] [§ 145, Ch. 46, R. S.] Members of the board of registration shall each receive two dollars per day for

each day actually employed, not exceeding two days, in the making and completion of the registry.

4. MODE OF PAYMENT.] [§§ 75 and 145, Ch. 46, R. S.] The county clerk, on receipt of the returns of any general or special election, shall make out his certificate, stating the compensation to which members of the board of registration and judges and clerks of election are entitled for their services, and lay the same before the county board at its next session; and said board shall order the compensation aforesaid to be paid out of the county treasury.

ARTICLE V.

NOMINATION OF CANDIDATES.

1. NOMINATION OF CANDIDATES.] [§ 290, Ch. 46, R. S.] Any convention of delegates and any caucus or meeting of qualified voters as hereinafter defined, and individual voters to the number and in the manner hereinafter specified, may nominate candidates for political office, whose names shall be placed upon the ballots to be furnished as hereinafter provided: *Provided*, that in any county, city, village or incorporated town, respectively, in which an Act entitled, "An Act providing for primary elections of delegates to nominating conventions of political parties or organizations, and to promote the purity thereof by regulating the conduct thereof, and to support the privileges of free suffrage thereat by prohibiting certain acts and practices in relation thereto, and providing for the punishment thereof," shall be in force, no candidate nominated by any convention of any political party or organization of any such county, city, village or incorporated town or any part thereof, or for the Congress of the United States, shall have his name printed on any official ballot printed and distributed at the public expense in such county, city, village or incorporated town, or any part thereof, unless such candidate shall be nominated by a convention composed of delegates elected for that purpose at the primary election of such political party last preceding the holding of such convention, according to the Act entitled, "An Act providing for primary elections of delegates to nominating conventions of political parties or organizations and to promote the purity thereof by regulating the conduct thereof, and to support the privileges of free suffrage thereat by prohibiting certain acts and practices in relation thereto, and providing for the punishment thereof."

2. CAUCUS NOMINATIONS—CERTIFICATE AND REQUISITES.] [§ 291, Ch. 46, R. S.] Any convention of delegates, caucus or meeting representing a political party which at the general election next preceding polled at least two per cent of the entire vote cast in the State, or in the electoral district or division thereof, or in the municipality for which the nomination is made, may for the State, or for the electoral district or division thereof, or municipality for which the convention, caucus or meeting is held, as the case may be, by causing a certificate of nomination to be duly filed, make one such nomination for each office therein to be filled at the election. Every such certificate of nomination shall state such facts as are required in section 4 of this article, and shall be signed by the presiding officer and by the secretary of the convention, caucus or meeting, who shall add to

their signatures their places of residence. Such certificates shall be sworn to by them to be true to the best of their knowledge and belief, and a certificate of the oath shall be annexed to the certificate of nomination.

3. NOMINATIONS BY PETITIONS—SIGNATURES.] [§ 292, Ch. 46, R. S.] Nominations of candidates for any office to be filled by the voters of the State at large may also be made by nomination papers signed in the aggregate for each candidate by not less than 1,000 qualified voters of the State. Nominations of candidates for office within any district or political division less than the State, and in all cities having a population in excess of 5,000, may be made by nomination papers signed in the aggregate for each candidate by qualified voters of such district or political division, not less than one for each fifty persons who voted at the next preceding general election in such district or division, but in no case by less than twenty-five. In elections to be held in a town, village, precinct or ward, and in all cities with a population not exceeding 5,000, the signatures of voters thereof equaling 5 per cent of the vote cast therein at the last preceding election shall be sufficient for the nomination of a candidate who is to be voted for only in such town, village, precinct, ward or city. Each voter signing a nomination paper shall add to his signature his place of residence, and each voter may subscribe to one nomination for each office to be filled, and no more: *Provided*, that the name of any candidate whose name may appear in any other place upon the ballot, shall not be added by petition for the same office.

3a. NOMINATIONS BY PETITION—REQUISITES.] [§ 292a, Ch. 46, R. S.] All petitions for nomination of candidates for public office in this State shall, in addition to other requirements provided by law, be as follows: Such petitions shall consist of sheets of uniform size and each sheet shall contain, above the space for signatures, an appropriate heading, giving the information as to name of candidate or candidates, in whose behalf such petition is signed; the office, the party or political principle, place of residence and such other information or wording as required to make same valid, and the heading of each sheet shall be the same. Such petition shall be signed by the qualified voters in their own proper persons only, and opposite the signature of each signer his residence address shall be written (and if a resident of a city having a population of over 10,000 by the then last preceding federal census, the street and number of such residence shall be given). No signature shall be valid or be counted in considering the validity or sufficiency of such petition unless the requirements of this section are complied with. At the bottom of each sheet of such petition shall be added a statement, signed by an adult resident of the political division for which the candidate is nominated, stating his residence address (and if a resident of a city having a population of over 10,000 by the then last preceding federal census, also stating the street and number of such residence), certifying that the signatures on that sheet of said petition were signed in his presence and are genuine; and that to the best of his knowledge and belief the persons so signing were at the time of signing said petition

qualified voters (and in cities, villages and incorporated towns in which voters are or may be required to be registered, that they are also at the time of signing said petition duly registered voters) of the political division for which the candidate is nominated, and that their respective residences are correctly stated therein. Such statement shall be sworn to before some officer of the county in which the person making such statement resides, authorized to administer oaths therein. Such sheets, before being filed, shall be neatly fastened together in book form, by placing the sheets in a pile and fastening them together at one edge in a secure and suitable manner, and the sheets shall then be numbered consecutively. The sheets shall not be fastened by pasting them together end to end, so as to form a continuous strip or roll. Said petition, when filed, shall not be withdrawn or added to, and no signature shall be revoked except by revocation filed in writing with the clerk with whom the petition is required to be filed, and before the filing of such petition. Whoever, in making the sworn statement above prescribed, shall knowingly, wilfully and corruptly swear falsely, shall be deemed guilty of perjury, and on conviction thereof shall be punished accordingly. Whoever forges any name of a signer upon any petition shall be deemed guilty of forgery, and on conviction thereof, shall be punished accordingly. The word "petition" or "petition for nomination," as used herein, shall mean what is sometimes known as nomination papers, in distinction to what is known as a certificate of nomination. The words "political division for which the candidate is nominated," or its equivalent, shall mean the largest political division in which all qualified voters may vote upon such candidate, as the State in the case of State officers; the town in the case of town officers, et cetera: *Provided, further,* that any person who has already voted at a primary election held to nominate a candidate or candidates for any office or offices, to be voted upon at any certain election, shall not be qualified to sign a petition of nomination for a candidate or candidates for the same office or offices, to be voted upon at the same certain election.

4. NOMINATION PAPERS—REQUISITES.] [§ 293, Ch. 46, R. S.] All certificates of nomination or nomination papers shall, besides containing the names of the candidates, specify as to each:

1. The office to which he is nominated.
2. The party or political principle which he represents, expressed in not more than five words.
3. His place of residence, with the street and number thereof, if any. In the case of electors for President and Vice President of the United States, the names of the candidates for President and Vice President may be added to the party or political appellation.

5. CERTIFICATES TO BE FILED.] [§ 294, Ch. 46, R. S.] Certificates of nomination and nomination papers for the nomination of candidates for offices to be filled by the electors of the entire State, or any division or district greater than a county, shall be filed with the Secretary of State at least thirty days previous to the day of election for which the candidates are nominated. All other certificates

for the nomination of candidates shall be filed with the county clerk of the respective counties at least thirty days previous to the day of such election: *Provided*, that certificates of nomination and nomination papers for the nomination of candidates for the offices in cities, villages and incorporated towns, and for town offices in counties under township organization shall be filed with the clerks of the towns, cities, villages and incorporated towns at least fifteen days previous to the day of such election: *Provided*, that in cities having a population of 500,000 or more that certificates of nomination and nomination papers for the nomination of candidates for the offices in such cities shall be filed with the city clerk of such cities at least twenty-five days previous to the day of such election.

6. WITHDRAWAL OF NOMINATIONS.] [§ 295, Ch. 46, R. S.] Any person whose name has been presented as a candidate or who has been nominated by more than one convention, caucus or meeting of qualified voters, may cause his name to be withdrawn from any such nomination by his request in writing, signed by him and duly acknowledged before an officer qualified to take acknowledgment of deeds, and file with the Secretary of State not less than twenty-five (25) days, or with the proper clerk not less than thirteen (13) days previous to the day of election, and no name so withdrawn shall be printed upon the ballots under the party appellation or title from which the candidate has withdrawn his name. In case the certificate of nomination or petition as provided for in this Act shall contain or exhibit the name of any candidate for any office upon more than one of said certificates or petitions (for the same office), then, and in that case the Secretary of State or county clerk, as the case may be, shall immediately notify said candidate of said fact, and that his name appears unlawfully upon more than one of said certificates or petitions, and that within three (3) days from the receipt of said notification, said candidate must elect as to which of said political party appellations or groups he desires his name to appear and remain under upon said ballot, and if said candidate refuses, fails or neglects to comply with the provisions herein, then, and in that case, the Secretary of State or county clerk, as the case may be, shall not permit the name of said candidate to appear, or be printed or placed upon said ballot under any or either of said political party appellations or groups. All certificates of nomination and nomination papers, when filed, shall be open and, under proper regulation, to public inspection, and the Secretary of State and the several clerks having charge of nomination papers shall preserve the same in their respective offices not less than six months.

7. DEATH OR DECLINATION OF CANDIDATE—VACANCY.] [§ 296, Ch. 46, R. S.] In case a candidate who has been duly nominated under the provisions of this article die before election day, or decline the nomination, as in this article provided, or should any certificate of nomination be held insufficient or inoperative by the officer with whom they may be filed, the vacancy or vacancies thus occasioned may be filled by the political party, or other persons making the original nominations, or, if the time is insufficient therefor, then the

vacancy may be filled, if the nomination was by convention or caucus in such manner as the convention or caucus had previously provided, or, in case of no such previous provision, then by regularly elected general or executive committee representing the political party or persons holding such convention, meeting or caucus. The certificate of nomination made to supply such vacancy shall state, in addition to the other facts required by section four of this article, the name of the original nominee, the date of his death or declination of nomination, or the fact that the former nomination has been held insufficient or inoperative, and the measures taken in accordance with the above requirements for filling a vacancy, and it shall be signed and sworn to by the presiding officer and secretary of the convention, or caucus, or by the chairman and secretary of the duly authorized committee, as the case may be.

8. CERTIFICATES OF NOMINATION—OBJECTIONS.] [§ 297, Ch. 46, R. S.] The certificates of nomination and nomination papers being so filed and being in apparent conformity with the provisions of this article shall be deemed to be valid, unless objection thereto is duly made in writing. Such objections or other questions arising in relation thereto, in the case of nomination of State officers, shall be considered by the Secretary of the State and the Auditor and Attorney General, and a decision of a majority of these officers shall be final. Such objections or questions arising in the case of nominations for officers to be elected by the voters of a division less than the State and greater than the county, shall be considered by the county judges of the counties embraced in such division, and the decision of a majority of these officers shall be final. Such objections or questions arising in the case of nominations of candidates for county officers shall be considered by the county judge, county clerk, and State's attorney for each county, and the decision of a majority of said officers shall be final. Objections or questions arising in the case of nominations of city, town or village officers shall be considered by the mayor or president of the board of trustees, and the city, town or village clerk, with whom one alderman or trustee thereof, as the case may be, chosen by lot, shall act, and the decision of a majority of such officers shall be final. Such objections arising in the case of nominations of town officers shall be considered by the board of auditors of such town, and the decision of a majority of such auditors shall be final. In any case, where such objection is made, notice shall forthwith be given to the candidates affected thereby, addressed to their places of residence as given in the nomination papers, and stating the time and place, when and where such objections will be considered: *Provided*, that in cities, towns or villages having a board of election commissioners, such questions shall be considered by such board, and its decision shall be final.

G. NOMINATIONS TO FILL VACANCIES. [§ 298, Ch. 46, R. S.] When such certificate is filed with the Secretary of State, he shall, in certifying nominations to the various county clerks, insert the name of the person who has been thus nominated to fill vacancy in place of the original nominee, and in the event that he has already

sent forward his certificate, he shall forthwith certify to the clerks of the proper counties the name and description of the person so nominated to fill a vacancy, the office he is nominated for, with the other details mentioned in certificates of nomination filed with the Secretary of State, and in cases where such clerk is not charged by this Act, with the printing of ballots, he shall immediately certify the name so supplied to the authorities charged with the printing of the ballots. The names so supplied for the vacancy shall, if the ballots are not already printed, be placed on the ballots in place of the name of the original nominee, or if the ballots have been printed, new ballots, whenever practicable, shall be furnished.

IO. PASTERS—STAMPING ON BALLOTS.] [§ 299, Ch. 46, R. S.] Whenever it may not be practicable to have new ballots printed, it shall be the duty of the election officer having charge of the ballots, to place the name supplied for the vacancy upon each ballot issued before delivering it to the voter; the name so supplied may be placed upon the ballots either by affixing a paster or by writing or stamping the name on the ballot; and to enable this to be done the officer with whom the certificates of nomination are to be filed shall immediately furnish the name of such substituted nominee to all judges of election within the territory in which such nominee may be a candidate.

II. NOTICE TO COUNTY CLERK.] [§ 300, Ch. 46, R. One of the judges shall give the voter one, and only one ballot, on the back of which such judge shall endorse his initials in such manner that they may be seen when the ballot is properly folded, and the voter's name shall be immediately checked on the register list. At all elections when a registry may be required, if the name of any person so desiring to vote at such election is not found on the register of voters, he shall not receive a ballot until he shall have complied with the law prescribing the manner and conditions of voting by unregistered voters. Before leaving the voting booth, the voter shall fold his ballot in such manner as to conceal the marks thereon. He shall then vote forthwith in the manner now provided by law, except that the number corresponding to the number of the voter on the poll books shall not be endorsed on the back of the ballot. He shall mark and deposit his ballot without undue delay, and shall quit said enclosed space as soon as he has voted. No voter shall be allowed to occupy a voting booth already occupied by another, nor remain within said enclosed space more than ten minutes, nor to occupy a voting booth more than five minutes, in case all of said voting booths are in use and other voters waiting to occupy the same. No voter, not an election officer, shall, after having voted, be allowed to re-enter said enclosed space during said election. No person shall take or remove any ballot from the polling place before the close of the polls. No voter shall vote or offer to vote any ballot except such as he has received from the judge of election in charge of the ballots. Such officers shall mark the ballot as directed by the voter, and shall thereafter give no information regarding the same. Intoxication shall not be regarded as a physical disability, and no intoxicated person shall be entitled to assistance in marking his ballot.

9. CUMULATIVE VOTES—HOW VOTED.] [§ 304, Ch. 46, R. S.] No number of votes shall be printed on any ballot after the name of any candidate for representative in the General Assembly. In canvassing the vote for representatives in the General Assembly, the ballots shall be counted in the manner following:

First. Where the names of three candidates for representatives in the General Assembly are printed under one party appellation or title and a cross, thus, X, is placed at the appropriate place preceding such party appellation or title and the ballot is not otherwise marked for representatives in the General Assembly, it shall be counted one vote for each of said candidates.

Second. Where the names of two candidates for representatives in the General Assembly are printed under one party appellation or title

and a cross, thus, X, is placed at the appropriate place preceding such party appellation or title, and the ballot is not otherwise marked for representatives in the General Assembly, it shall be counted one and one-half votes for each of said candidates.

Third. Where the name of but one candidate for representative in the General Assembly is printed under one party appellation or title and a cross, thus, X, is placed at the appropriate place preceding such party appellation or title and the ballot is not otherwise marked for representative in the General Assembly, it shall be counted three votes for said candidate.

Fourth. Whether a cross, thus, X, is placed at the appropriate place preceding any party appellation or title, or not, whenever a cross is placed in the square preceding the name of any one candidate for representative in the General Assembly and the ballot is not otherwise marked, the ballot shall be counted three votes for said candidate; where a cross is placed in the squares preceding the names of any two candidates for representatives in the General Assembly and the ballot is not otherwise marked, the ballot shall be counted one and one-half votes for each of said two candidates; where a cross is placed in the squares preceding the names of any three candidates for representatives in the General Assembly and the ballot is not otherwise marked, the ballot shall be counted one vote for each of said three candidates.

Fifth. Whether the voter has indicated his intention by lawful marking of his ballot to divide his votes among the candidates in any manner other than as specified in the foregoing directions, it shall be counted for such candidates according to the intention of the voter as disclosed by the marking of the ballot.

Sixth. If the ballot has been so marked as to indicate an intention to cast more than three votes for representatives in the General Assembly, such ballot shall not be counted for any of such candidates.

10. BALLOTS NOT COUNTED—SPOILED BALLOTS. [§ 313, Ch. 46, R. S.] If the voter marks more names than there are persons to be elected to an office, or if for any reason it is impossible to determine the voter's choice for any office to be filled, his ballot shall not be counted for such office. No ballot without the official endorsement shall be allowed to be deposited in the ballot box, and none but ballots provided in accordance with the provisions of this Act shall be counted. Ballots not counted shall be marked "defective" on the back thereof, and ballots to which objection has been made by either of the judges or challengers shall be marked "objected to" on the back thereof, and a memorandum, signed by the judges, stating how it was counted, shall be written upon the back of each ballot so marked and all ballots marked "defective" or "objected to" shall be enclosed in an envelope, securely sealed and so marked and endorsed as to clearly disclose its contents. All ballots not voted, and all that have been spoiled by voters while attempting to vote, shall be returned by the judges of election to the officer or authorities charged with the printing and distribution of the ballots, and a receipt taken therefor, and shall be preserved six months; such officer shall keep a

record of the number of ballots delivered for each polling place, the name of the person to whom and the time when delivered, and he shall also enter upon such record the number and character of ballots returned, with the time when and the person by whom they are returned.

II. CANVASS OF BALLOTS.] [§ 57, Ch. 46, R. S.] Immediately upon closing the polls, the judges shall proceed to canvass the votes polled. They shall first count the whole number of ballots in the box. If two or more ballots are folded together, so as to appear to have been cast by the same person, and the number of ballots exceeds the number of names entered on each of the poll lists, the ballots so folded together shall be rejected, and if the number of ballots still exceeds the number of names entered upon each of the poll lists, said ballots shall be replaced in the ballot box and the box closed and well shaken and again opened, and one of the judges shall publicly draw out and destroy so many ballots unopened as shall be equal to such excess; and the number of the ballots agreeing with the poll lists, or being made to agree, the board shall then proceed to count and estimate and publish the votes; and when the judges of election shall open and read the tickets, each clerk shall carefully and correctly mark down upon the tally lists the votes each candidate has received, in a separate column prepared for that purpose, with the name of such candidate at the head of such column, and the office designated by the votes such candidate shall fill. The vote shall be canvassed in the room or place where the election is held, and the judges shall not allow the ballot box, or any of the ballots, or either of the poll lists, or either of the tally papers, to be removed or carried away from such room or place until the canvass of the votes is completed and the returns carefully enveloped and sealed up, as provided by law.

IIa. "STRAIGHT TICKETS," HOW TALLIED—SPLIT TICKETS, ETC.] [§ 323b, Ch. 46, R. S.] That hereafter at all general and special elections and primary elections held in this State, where the law shall provide that the clerks shall tally the votes received by candidates at such election, it shall not be necessary for the clerks of such election to mark upon the tally sheets kept by them, separate marks or tallies for each vote received by the candidates upon the ballots containing the same names, commonly known and hereafter in this Act designated as "straight tickets." But when the judges shall have counted and announced to the clerks, as near as may be as now or hereafter provided by law, the number of votes received by each set of candidates upon such "straight tickets," the clerks shall set each number of votes down, in figures, opposite the names of the respective candidates, in a column provided for that purpose upon the tally sheets; which column shall immediately join upon the left the space reserved for the tallies, and which shall be of convenient width and shall be headed, "Number of votes received upon 'straight tickets.'" The judges shall then proceed to count and announce the votes received by each candidate upon all ballots other than "straight tickets," including all ballots known as

"split tickets," and all ballots known as "scratched tickets," and the clerks shall proceed to tally the same upon the tally sheets, and to compare and announce the result thereof; which counting, announcing and tallying shall be conducted as now or hereafter provided by law. The clerks shall set down, in figures, the number of votes received by each candidate on ballots other than "straight tickets," as so ascertained and announced, in a column provided for that purpose upon the tally sheets, immediately adjoining on the right the space reserved for the tallies, which column shall be of convenient width, and shall be headed "Number of votes received upon ballots other than 'straight tickets.'" The clerks shall then proceed to add together the number of votes received by each candidate, as shown in the column containing the straight votes and the number as shown in the column containing the votes other than straight votes; which result will show the total number of votes received by each candidate; and after comparing their results and finding that the same agree and are correct, they shall set down the same, in figures, in a column provided upon the tally sheets for that purpose, on the extreme right hand side thereof, which shall be of convenient width and shall be headed "total number of votes." Whereupon one of the clerks shall announce in a loud voice to the judges the total number of voted [votes] received by and counted for each candidate.

11b. REPEAL—INTENT OF ACT.] [§ 323c. Ch. 46, R. S.] All laws and parts of laws in conflict herewith are hereby repealed. Nothing in this Act contained shall be construed to authorize or permit the canvassing, counting or tallying ballots with any less degree of strictness than now required by law; the intention of this Act being to dispense with the individual tally marks only so far as the so-called "straight tickets" are concerned; and all other operations of tallying, counting and canvassing and announcing the votes shall proceed as near as may be in accordance with the laws now or hereinafter provided therefor.

12. CANVASS OF VOTES—PROCLAMATION—BALLOTS DESTROYED.] [314, Ch. 46, R. S.] When the canvass of the ballots shall have been completed, as now provided by law, the clerks shall announce to the judges the total number of votes received by each candidate; each judge of the election shall proclaim in a loud voice the total number of votes received by each of the persons voted for and the office for which he is designated, and the number of votes for and the number of votes against any proposition which shall have been submitted to a vote of the people; such proclamation shall be *prima facie* evidence of the result of such canvass of the ballots. Immediately after making such proclamation, and before separating, the judges shall fold in two folds, and string closely upon a single piece of flexible wire, all ballots which have been counted by them, except those marked "objected to," unite the ends of such wire in a firm knot, seal the knot in such manner that it cannot be untied without breaking the seal, enclose the ballots so strung in a secure canvass covering and securely tie and seal such canvass covering with official wax impression seals, to be provided by the judges, in such manner that it cannot be opened without breaking the seals, and return said ballots, together with the

package containing the ballots marked "defective" or "objected to" in such sealed canvass covering to the proper clerk or to the board of election commissioners, as the case may be, and such officer shall carefully preserve said ballots for six months, and at the expiration of that time shall destroy them by burning without previously opening the package. Such ballots shall be destroyed in the presence of the official custodian thereof and two electors of approved integrity and good repute and members respectively of the two leading political parties. The said electors shall be designated by the county judge of the county in which such ballots are kept: *Provided*, that if any contest of the election of any officer voted for at such election shall be pending at the expiration of said time, the said ballots shall not be destroyed until such contest is finally determined. In all cases of contested elections the parties contesting the same shall have the right to have said ballots opened and to have all errors of the judges in counting or refusing to count any ballots corrected by the court or body trying such contest, but such ballots shall be opened only in open court or in open session of such body and in the presence of the officer having the custody thereof.

13. FORM OF RETURN.] [§ 61, Ch. 56, R. S.] When the votes shall have been examined and counted, the clerks shall set down in their poll-books the name of every person voted for, written at full length, the office for which such person received such votes, and the number he did receive, the number being expressed in words, at full length; such entry to be made, as nearly as circumstances will admit, in the following form, to-wit:

AN ACT to provide for the use of voting machines at elections, for casting, registering, recording and counting ballots or votes; also creating a board of voting machine commissioners, and defining its duties. [Approved May 14, 1903. Laws 1903, p. 178.]

1. SUBMISSION OF QUESTION OF ADOPTING VOTING MACHINE—CONSTRUCTION OF MACHINE—REQUIREMENTS SPECIFIED.] [§ 430, Ch. 46, R. S.] *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That any body or board of public officials, or any officer or officers charged by law with the duty of providing material and supplies for holding an election or elections in any city, village, incorporated town, county, precinct, election district or other civil division of the State, may, at any general or special election, submit a proposition to the qualified voters thereof to adopt a voting machine or voting machines; and whenever a majority of the electors of any such city, village, incorporated town, county, precinct, election district or other civil division voting upon said proposition shall have declared therefor, may purchase or lease a voting machine or voting machines for any or all of the election precincts for which he, it or they are by law charged with the duty of providing material and supplies for holding an election or elections at the expense of the city, village, incorporated town, county, precinct, election district or

other civil division of the State now chargeable by law with the expenses of the material and supplies for holding general elections in such civil division or divisions. If the question of using a voting machine or voting machines be not submitted to the voters by the proper public officials, a petition, signed by ten per cent of the voters of any city, village, incorporated town, county, precinct, election district or other civil division of the State and addressed to them at least sixty days before any general election asking the submission of the question of adopting a voting machine or voting machines, shall compel the submission of the question to the voters at that election. Use of such machines may be discontinued on resubmission of the question, and a vote in favor thereof at any subsequent election: *Provided, however*, that no such voting machine shall be used, purchased, leased or adopted until the board of voting machine commissioners hereinafter provided for, or a majority thereof, shall have made and filed a report certifying that they have examined such machine; that it affords each elector an opportunity to vote in absolute secrecy; that it enables each elector to vote a straight party ticket; that it enables each elector to vote a ticket selected in part from the nominees of one party, and in part from the nominees of any or all other parties, and in part from an independent nomination; and in part of persons not in nomination by any party or upon any independent ticket; that it enables each elector to vote a written or printed ballot of his own selection, for any person for any office for which he may desire; that it enables each elector to vote for all candidates for whom he is entitled to vote, and prevents him from voting for any candidate for any office more than once, unless he is lawfully entitled to cast more than one vote for one candidate, and in that event permits him to cast only as many votes for that candidate as he is by law entitled, and no more; that it prevents the elector from voting for more than one person for the same office, unless he is lawfully entitled to vote for more than one person therefor, and in that event permits him to vote for as many persons for that office as he is by law entitled, and no more; and that such machine will register correctly by means of exact counters every vote cast for the regular tickets thereon; and has the capacity to contain the tickets of seven political parties with the names of all the candidates thereon, together with all propositions to be voted upon, except that it may be so constructed that the names of all candidates for presidential electors will not occur thereon, but in lieu thereof, one ballot label in each party column or row shall contain only the words "Presidential Electors," preceded by the party name; that all votes cast on the machine on a regular ballot or ballots shall be registered; that voters may, by means of irregular ballots or otherwise, vote for any person for any office, although such person may not have been nominated by any party and his name may not appear on such machine; then when a vote is cast for any person for any such office, when his name does not appear on the machine, the elector cannot vote for any name on the machine for the same office; that each elector can understandingly and within the period of one

minute cast his vote for all candidates of his choice; that in case the machine is so constructed that the candidates for presidential electors of any party can be voted for only by voting for the ballot label containing the words "Presidential Electors," by voting an irregular ticket as hereinafter defined, the elector may vote for any person or persons he may choose for presidential electors; that the machine is provided with a lock or locks by the use of which any movement of the voting or registering mechanism is absolutely prevented so that it cannot be tampered with or manipulated for any fraudulent purpose; that the machine is susceptible of being closed during the progress of the voting so that no person can see or know the number of votes registered for any candidate: *Provided, also*, that no such machine or machines shall be purchased, unless the party or parties making the sale shall guarantee in writing to keep the machine or machines in good working order for five years without additional cost, and shall give a sufficient bond conditioned to that effect.

2. MACHINE MUST MEET ALL REQUIREMENTS SPECIFIED.] [§ 431, Ch. 46, R. S.] The voting machine or machines to be used, adopted, leased or purchased as herein provided, must be so constructed as to meet all requirements specified in this Act.

If the office of Secretary of State for any reason shall become vacant, the Attorney General of the State shall be a member of the board until the office of Secretary of State is filled. No member of the board shall have any interest in any voting machine. Any person or corporation owning or being interested in any voting machine may apply to said board to examine such machine and report on its accuracy, efficiency, capacity and safety. The commissioners shall examine the machine and make full report thereon, in the office of the Secretary of State. They shall state in the report whether or not the kind of machine so examined complies with the requirements of this Act, and can be safely used by voters at elections under the conditions prescribed in this Act. If the report be in the affirmative upon said questions the machine shall be deemed approved by the board, and machines of its kind may be adopted for use at elections as herein provided. When the machine has been so approved any improvement or change that does not impair its accuracy, efficiency, capacity or safety shall not render necessary a re-examination or re-approval thereof. Any form of voting machine not so approved cannot be used at any elections. Each of the two

mechanical experts on the board shall be entitled to one hundred dollars (\$100) for his compensation and expenses in making such examination and report, to be paid by the person or corporation applying for such examination, which sum may be demanded in advance of making the examination and which shall be the sole compensation to be received by any such expert. The board may, if it consents to do so, go to any point in the State for the purpose of examining a machine, but it shall not be compelled to make such examination at any place other than the capital of the State: *Provided*, that each of the two commissioners appointed as mechanical experts shall not receive and retain to exceed fifteen hundred dollars (\$1,500) and reasonable expenses in any one year, and all sums collected for such examinations, over and above said maximum salaries and reasonable expenses, shall be turned into the State treasury.

S.] The local authorities, on the adoption and lease or purchase of a voting machine or voting machines, may provide for the payment thereof in such manner as may be deemed for the best interest of the city, village, incorporated town or county. They may for that purpose make leases, issue bonds, certificates of indebtedness, or other obligations, which shall be a charge on the city, village, incorporated town or county. Intoxication shall not be regarded as a physical disability, and no intoxicated person shall be entitled to assistance in registering his vote.

10. WHERE VOTER ASKS FOR INSTRUCTION CONCERNING MANNER OF VOTING.] [§ 439, Ch. 46, R. S.] In case any elector after entering the voting machine booth shall ask for further instructions concerning the

manner of voting, two judges of opposite political parties shall give such instructions to him; but no judge or other election officer, or person assisting an elector, shall in any manner request, suggest or seek to persuade, or induce any such elector to vote any particular ticket, or for any particular candidate, or for or against any particular amendment, question or proposition. After receiving such instructions, such elector shall vote as in the case of an unassisted voter.

11. **BALLOT LABEL.]** [§ 440, Ch. 46, R. S.] That portion of cardboard, paper or other material placed on the front of the machine and containing the names of the candidates, or a statement of the proposed constitutional amendment or other question or proposition to be voted on, shall be known in this Act as a ballot label. The ballot label shall be supplied by the official or officials charged by law with providing material for the holding of an election or elections, and shall be printed in black ink on clear white material of such size as will fit the machine, and in plain, clear type, as large as the space will reasonably permit. The party name or other designation shall be prefixed to the list of candidates of such party. The order of the lists of candidates of the several parties shall be arranged as is now provided by law, except that the lists may be placed in horizontal rows of vertical columns, which parties may, if desired, be divided into parallel and contiguous rows or columns, and except that where presidential electors are to be voted for at any election, and the machine to be used will not carry the names of all candidates for such electors, then there may be placed on the ballot label the words "Presidential Electors," under the name of each political party.

12. **SAMPLE BALLOT LABEL.]** [§ 441, Ch. 46, R. S.] The officers or board charged with the duty of providing ballots and ballot labels for any polling place shall provide therefor two sample ballot labels, which shall be arranged in the form of a diagram, showing the entire front of the voting machine as it will appear after the official ballot labels are arranged for voting on election day. Such sample ballot labels shall be displayed for public inspection at such polling place during the day preceding election day.

13. **FOUR SETS OF BALLOT LABELS PROVIDED—DUTY OF OFFICERS IN PUTTING MACHINE IN ORDER, ETC—DELIVERY OF MACHINE IN ROOM WHERE ELECTION IS HELD—DUTY OF JUDGES AND CLERKS.]** [§ 442, Ch. 46, R. S.] Four sets of ballot labels for use in the voting machine shall be provided for each polling place for each election by the officer or officers now charged by law with the duty of furnishing such election precincts with ballots. In such manner shall be furnished, also, all other necessary material for the use of the voting machines. The same officer or officers shall, before the day of election, cause the proper ballot labels to be put upon each machine corresponding with the sample ballot labels herein provided for, and the machine in every way to be put in order, set and adjusted, ready for use in voting when delivered at the precinct; and for the purpose of so labeling the machine, putting in order, setting and adjusting the same they may employ one or more competent persons, and cause him or them to be

paid in the same manner as other election officers are paid. And the same officer or officers shall cause the machine so labeled in order, set and adjusted, to be delivered at the voting precinct, together with all necessary furniture and appliances that go with the same, in the room where the election is to be held in the precinct, not later than 6:00 o'clock, p. m. of the day preceding the election. After the delivery of the machine, and on the same day, the judges and clerks of election of the precinct may meet at said room, open the package containing the sample ballots, and if necessary the ballot labels, and see that the machine is correctly labeled, set and adjusted ready for use in voting; and if the same is not so labeled, set and adjusted and in order, they shall cause it to be done. On the morning of the election, the election officers shall meet in the said room at least one hour before the time for opening the polls. They shall see that the sample ballot labels and instruction cards are posted properly, and everything put in readiness for the voting at the hour of opening the polls. The officers shall compare ballot labels on the machine with the sample ballots, see that they are correct, examine and see that all the counters in the machine are set at naught or zero (0), and that the machine is otherwise in perfect order, and they shall not thereafter permit the counters to be operated or moved except by electors in voting, and they shall also see that all necessary arrangements and adjustments are made for voting irregular ballots on the machine.

14. IRREGULAR BALLOTS.] [§ 443, Ch. 46, R. S.] Ballots voted for any person whose name does not appear on the ballot label on the machine as a candidate for office, are herein referred to as irregular ballots. In voting for presidential electors, a voter may vote an irregular ticket made up of the names of persons in nomination by different parties, or partially of the names of persons so in nomination and partially of persons not in nomination by any party. Such irregular ballots shall be deposited, written or affixed in or upon the receptacle or device provided on the machine for that purpose.

15. WITH CLOSE OF POLLS, MACHINE LOCKED AND COUNTING COMPARTMENT OPENED.] [§ 444, Ch. 46, R. S.] As soon as the polls are closed, the voting machine shall be locked against voting, and the counting compartment opened in the presence of all the judges and clerks of election, and all other persons who may be lawfully within the room, giving full view of the numbers announcing the votes cast for each candidate, and for and against the various constitutional amendments, questions or other propositions.

16. ASCERTAINING NUMBER OF VOTES—WRITTEN STATEMENTS TO BE SIGNED BY ELECTION OFFICERS—IRREGULAR BALLOTS—MACHINE TO BE LOCKED FOR THIRTY DAYS.] [§ 445, Ch. 46, R. S.] The election officers shall then ascertain the number of votes which the candidates have received both on the machine and by the voting of irregular ballots, if any, and one of the judges shall publicly announce in a distinct voice the total vote for each candidate thus ascertained in the order of the offices as their titles are arranged on the ballot label. He shall then announce in the same manner the vote on each constitutional

amendment, proposition or other question. Before leaving the room and before closing and locking the counting compartment, the election officers shall make and sign written statements or returns of such election, as now required by law. When irregular ballots have been voted, they shall be returned, preserved and finally destroyed as is now provided by law in the case of other election ballots. The written statements or returns so made, after having been properly signed, shall be distinctly and clearly read in the hearing of all persons present, and ample opportunity shall be given to compare the results so certified with the counter dials of the machine. After such comparison and correction, if any is made, the election officers shall then close the counting compartment and lock the same. Thereafter the machine shall remain locked for a period of at least thirty days, unless otherwise ordered by a court of competent jurisdiction.

17. KEYS TO BE RETURNED WITH WRITTEN STATEMENT.] [§ 446, Ch. 46, R. S.] When the machine is locked at the close of an election in the manner required by this Act, the judges shall place all keys of the machine on a single piece of flexible wire; unite the ends of such wire in a firm knot, label the same with the make and number of the machine and the precinct at which it was used at such election, and return such keys along with the written statements or returns of such election.

18. WHERE MACHINE SUPPLIED WITH RECORDING DEVICE.] [§ 447, Ch. 46, R. S.] A voting machine which possesses all the qualities required by this Act, may be supplied in addition with any recording device on which all the votes registered on the mechanical counters will be separately recorded. When a machine is supplied with such device, the same shall not be taken out or examined by the election officers who make the returns from the precinct, but such machine shall be locked with such device therein, and so remain for a period of at least thirty days, unless within that time the machine shall be ordered opened by some court of competent jurisdiction. At the end of thirty days, such device may be taken out, unless otherwise ordered by a court of competent jurisdiction.

19. PENALTY FOR PERSON TAMPERING WITH MACHINE.] [§ 448, Ch. 46, R. S.] Any person, not an election officer or other public officer, who shall tamper or attempt to tamper with such voting machine or voting machines, or in any way intentionally impair or attempt to impair its use, and any such person who shall be guilty of or shall attempt any dishonest practice upon any such machine, or with or by its use, shall be deemed guilty of a felony, and shall be punishable by a fine of from \$100 to \$1,000, or by imprisonment for a term of from one to five years, or by both fine and imprisonment.

20. PENALTY FOR OFFICIAL TAMPERING, ETC., WITH MACHINE.] [§ 449, Ch. 46, R. S.] Any clerk or judge of an election, or any other public officer authorized to take part in the holding of an election or in preparing for an election, who, with intent to cause or permit any voting machine to fail to register correctly all votes cast thereon; who

tampers with, or disarranges such machine in any way, or any part or appliance thereof, or who causes or consents to said machine being used for voting at any election with knowledge of the fact that the same is not in order, or not perfectly set and adjusted so that it will correctly register all votes cast thereon; or who, with the purpose of defrauding or deceiving any voter, or of causing it to be doubtful for what ticket or candidate or candidates or proposition any vote is cast, or of causing it to appear on said machine that votes cast for one ticket, candidate or proposition, were cast for another ticket, candidate or proposition, removes, changes or mutilates any ballot label on said machine or any part thereof, or does any other thing intended to interfere with the validity of the election, shall be deemed guilty of a felony, and, upon conviction, shall be imprisoned in the State prison not less than one year nor more than ten years, to which may be added a fine not exceeding \$1,000.

21. PENALTY FOR NEGLECT OF DUTY BY PUBLIC OFFICER OR ELECTION OFFICER.] [§ 450, Ch. 46, R. S.] Any public officer, or any election officer upon whom any duty is imposed by this Act, and who shall wilfully omit or neglect to perform such duty, or who shall do any act prohibited herein for which punishment is not otherwise provided herein, shall, upon conviction, be imprisoned in the State prison for not less than one year nor more than ten years, or be fined in any sum not exceeding \$1,000, or may be punished by both such imprisonment and fine.

22. PROVISIONS OF ELECTION LAW NOT INCONSISTENT WITH ACT APPLY.] [§ 451, Ch. 46, R. S.] All the provisions of the election law, not inconsistent with this Act, shall apply to all the elections in the precincts where such voting machines are used. Any provisions of law which conflict with the use of such machine or machines as herein set forth, shall not apply to the precinct or precincts in which an election is conducted by the use of such machine or machines.

Approved May 14, 1903; in force July 1, 1903.

D. 1908, in which officers are to be voted for on the first Tuesday after the first Monday in November of such year, for the nomination of candidates for such offices as are to be voted for at such November election, and shall be known as the April primary: *Provided, however,* that wherever in this Act the term "April primary," or equivalent words shall appear, such term or such words shall be construed, as to the primary held in August, A. The employer may specify the hours during which said employé may absent himself.

§ 8. The following committees shall constitute the central or managing committees of each political party, viz:

A State central committee; a congressional committee for each congressional district; a senatorial committee for each senatorial district; a county central committee for each county; a city central committee for each city or village; and a precinct committee for each precinct: *Provided, however*, that nothing herein contained shall prevent a political party from electing or appointing in accordance with its practice other committees.

§ 9. (1). The State central committee shall be composed of one member from each congressional district in the State, and shall be elected as follows:

At the August primary held in the year A. D. 1908, and at the April primary held every two years thereafter, each primary elector may vote for one candidate of his party for member of the State central committee for the congressional district in which he resides. The State central committee of each political party shall be composed of members elected from the several congressional districts of the State as herein provided, and of no other person or persons whomsoever. The members of the State central committee shall, within thirty days after their election, meet in the city of Springfield, and organize by electing from among their number a chairman and may at such time elect such other officers from among their own number, or otherwise, as they may deem necessary or expedient. The outgoing chairman of the State central committee of the party shall, ten days before the meeting, notify each member of the State central committee elected at the primary of the time and place of such meeting.

(2) At the August primary held in August, A. D. 1908, and at the April primary held every two years thereafter, each primary elector may write or attach in the space left on the primary ballot for that purpose the name of one qualified primary elector of his party in the precinct for member of his political party precinct committee. The one having the highest number of votes shall be such committeeman of such party for such precinct. In case of a tie the primary judges shall cast lots. The official returns of the primary judges shall show the name and address of the committeeman of each political party.

(3) The county central committee of each political party shall consist of the members of the various precinct committees of such party in the county.

(4) The senatorial committee of each political party shall be elected as follows:

(a) In senatorial districts comprised of three or more counties, the senatorial committee shall be composed of one member elected from each county of such senatorial district.

At the August primary held in the year A. D. 1908, and at the April primary held every two years thereafter, each primary elector, may vote for one candidate of his party residing in his county for member of the senatorial committee of his party.

(b) In senatorial districts comprised of two counties the senatorial committee shall be composed of three members, two of whom shall be elected from the county in which such political party, at the general election for State and county officers then next preceding a primary polled the larger number of votes in such senatorial district, and one of whom shall be elected from the other county of such senatorial district.

At the August primary held in the year A. D. 1908, and at the April primary held every two years thereafter, each primary elector, residing in a county in which such political party at the general election for State and county officers then next preceding a primary, polled the larger number of votes in such senatorial district, may vote for two candidates of his party, residing in his county, for members of the senatorial committee of his party (and at such primary in the other county of such senatorial district, each primary elector may vote for one candidate of his party) residing in his county for member of the senatorial committee of his party.

(c) In senatorial districts composed of one county, and in senatorial districts wholly within the territorial limits of one county or partly within the territorial limits of one county and partly within the territorial limits of another county, the senatorial committee shall be composed of three members elected from such senatorial district.

At the August primary held in the year A. D. 1908, and at the April primary held every two years thereafter, each primary elector may vote for three candidates of his party, residing in such senatorial district, for members of the senatorial committee of his party.

Within thirty days after its election, the senatorial committee shall meet and proceed to organize by electing from among its own number a chairman, and either from among its own number or otherwise,

such other officers as said committee may deem necessary or expedient. The outgoing chairman of the senatorial committee of the party shall notify the members elected of the time and place (which shall be in the limits of such senatorial district) of such meeting.

(5) The congressional committee of each political party shall be composed of the chairmen of the county central committees of the counties composing the congressional district, excepting that in congressional districts wholly within the territorial limits of one county, or partly within the territorial limits of one county and partly within the territorial limits of another county, then the members of the precinct committees of the party residing within the limits of the congressional district shall compose the congressional committee.

(6) The city central committee of each political party shall be composed of the precinct committeemen of such party residing in such city.

(7) Each committee and its officers shall have the powers usually exercised by such committees, and by the officers thereof, not inconsistent with the provisions of this Act. The several committees herein provided for shall not have power to delegate any of their powers or functions to any other person, officer or committee, but this shall not be construed to prevent a committee from appointing from its own membership, proper and necessary sub-committees, and particularly defining, by resolution, the duties of such sub-committees.

(8) The various political party committees now in existence are hereby recognized and continued, and shall exercise the powers and perform the duties herein prescribed until their successors are chosen, in accordance with the provisions of this Act.

§ 10. (a) On the second Wednesday next succeeding the April primary, the county central committee of each political party shall meet at the county seat of the proper county, and proceed to organize by electing from among its own number a chairman, and either from among its own number or otherwise, such other officers as said committee may deem necessary or expedient. Such meeting of the county central committee shall be known as the county convention. The county convention of each political party shall choose delegates to the senatorial, congressional and State convention of its party: *Provided*, only precinct committeemen residing within the limits of a senatorial or congressional district shall participate in the selection of delegates to senatorial and congressional conventions respectively: *And, provided, further*, that in the county convention that each delegate to the county convention shall have one vote and one additional vote for each fifty or major fraction thereof of his party as cast in his precinct at the last general election.

(b) All senatorial conventions shall be held on the third Wednesday next succeeding the April primary.

(c) All congressional conventions shall be held on the fourth Wednesday next succeeding the April primary. The congressional convention of each political party shall have power to choose and select delegates and alternate delegates to national nominating conventions and to recommend to the State convention of its party the

nomination of candidate or candidates from such congressional district for elector or electors of President and Vice President of the United States.

(d) All State conventions shall be held on the fifth Wednesday next succeeding the April primary. The State convention of each political party shall have power to make nominations of candidates for the electors of President and Vice President of the United States, and for trustees of the University of Illinois, and to adopt any party platform and to choose and select in accordance with the rules and regulations of its party delegates and alternate delegates to national nominating conventions.

(e) Each convention may perform all other functions inherent to such political organization and not inconsistent with this Act.

(f) At least thirty-three (33) days before the April primary the State, congressional and senatorial committee, respectively, of each political party shall file in the office of the county clerk in each county of the State or in each county of the congressional or senatorial district, a call for the State, congressional and senatorial conventions. Said call shall state, among other things, the time and place (designating the building or hall) for holding the State, congressional and senatorial conventions, respectively, the total number of delegates which shall compose each of said conventions, and the call for State conventions shall state, among other things, the number of delegates to which each county is entitled in the State convention; and the call for the congressional and senatorial conventions shall state, among other things, the number of delegates to which each county or political sub-division of any county, as the case may be, is entitled to in the respective congressional and senatorial conventions. Such call shall be signed by the chairman and attested by the secretary of the respective committees.

§ 11. § 49. Any primary elector who may declare upon oath that he cannot read the English language, or that by reason of any physical disability he is unable to mark his ballot shall, upon request, be assisted in marking his primary ballot in the same manner as provided by the general election laws of this State.

§ 50. After the opening of the polls at a primary no adjournment shall be had, nor recess taken until the canvass of all the votes is completed and the returns carefully enveloped and sealed.

§ 51. The votes shall be canvassed in the room or place where the primary is held and the primary judges shall not allow the ballot box or any of the ballots, or the primary poll book, or any of the tally sheets to be removed or carried away from such room or polling place until the canvass of the votes is completed and the returns carefully enveloped and sealed.

§ 52. If the primary elector marks more names upon the primary ballot than there are persons to be nominated as candidates for an office, or for State central committeeman or senatorial committeeman,

or precinct committeeman, or if for any reason it is impossible to determine the primary elector's choice of a candidate for the nomination for an office, or committeeman, his primary ballot shall not be counted for the nomination for such office or for the election of delegate, alternate or committeeman.

No primary ballot, without the endorsement of the judges' initials thereon, shall be counted. Any judge wilfully omitting to endorse his initials on a primary ballot, as required by this Act, shall be guilty of a misdemeanor and punishable by a fine not exceeding one hundred dollars for each offense.

Primary ballots not counted shall be marked "defective" on the back thereof; and primary ballots to which objections have been made by either of the primary judges or challengers shall be marked "objected to" on the back thereof; and a memorandum signed by the primary judges stating how it was counted shall be written on the back of each primary ballot so marked, and all primary ballots marked "defective" or "objected to" shall be enclosed in an envelope and securely sealed, and so marked and endorsed as to clearly disclose its contents.

All primary ballots not voted, and all that have been spoiled by voters while attempting to vote, shall be returned to the proper clerk, by the primary judges, and a receipt taken therefor, and shall be preserved three months. Such official shall keep a record of the number of primary ballots delivered for each polling place, and he or they shall also enter upon such record the number and character of primary ballots returned, with the time when and the persons by whom they are returned.

§ 53. Immediately upon closing the polls, the primary judges shall proceed to canvass the votes in the manner following:

(1) They shall separate and count the ballots of each political party;

(2) They shall then proceed to ascertain the number of names entered on the primary poll books under each party affiliation;

(3) If the primary ballots of any political party exceed in number the names of voters of such political party entered on the primary poll books, the primary ballots of such political party shall be folded and replaced in the ballot box, the box closed, well shaken and again opened and one of the primary judges, who shall be blindfolded, shall draw out and destroy so many of the primary ballots of such political party as shall be equal to such excess;

(4) The primary judges shall then proceed to count the primary ballots of each political party separately; and as the primary judges shall open and read the primary ballots, each primary clerk shall carefully and correctly mark upon the tally sheets the votes which each candidate of the party whose name is written or printed on the primary ballot has received, in a separate column for that purpose, with the name of such candidate, the name of his political party and the name of the office for which he is a candidate for nomination at the head of such column.

§ 54. As soon as the ballots of a political party shall have been read and the votes of said political party counted, as provided in the last

above section, the primary clerks shall foot up the tally sheets so as to show the total number of votes cast for each candidate of said political party and for each candidate for State central committeeman, senatorial committeeman and precinct committeeman, and certify the same to be correct. Thereupon, the primary judges shall set down in the primary poll books, under the name of said political party, the name of each candidate voted for upon the primary ballot, written at full length, the name of the office for which he is a candidate for nomination or for committeeman, the total number of votes which said candidate received, and the primary judges shall certify the same to be true and correct; said entry in the primary poll books to be made substantially in the following form:

Judges of Primary.

§ 55. After the votes of a political party have been counted and set down and the tally sheets footed and the entry made in the primary poll books, as above provided, all the primary ballots of said political party, except those marked "defective" or "objected to" shall be strung upon a strong thread of twine separately for each political party in the order in which said primary ballots have been read, and shall thereupon be carefully sealed in an envelope, which envelope shall be endorsed as follows:

"Primary ballots of the.....party of the.....precinct of the county of..... and State of Illinois."

Below each endorsement, each primary judge shall write his name.

§ 56. The primary poll books, with the certificates of the primary judges written thereon, and the tally sheets, together with the envelopes containing the ballots, shall be carefully enveloped and sealed up together, properly endorsed and put into the hands of the primary judges, who shall, within forty-eight (48) hours thereafter, deliver

the same to the clerk from whom the primary ballots were obtained, which clerk shall safely keep the same for three (3) months.

§ 57. As soon as complete returns are delivered to the proper clerk, the returns shall be canvassed as follows:

1. In the case of the nomination of candidates for city offices, by the mayor, the city attorney and the city clerk;

2. In the case of the nomination of candidates for village offices, by the president of the board of trustees, one member of the board of trustees and the village clerk;

3. The officers who are charged by law with the duty of canvassing returns of general elections made to the county clerk, shall also open and canvass the returns of a primary made to such county clerk. Upon the completion of the canvass of the returns by the county canvassing board, said canvassing board shall make a tabulated statement of the returns for each political party separately, stating in appropriate columns and under proper headings, the total number of votes cast in said county for each candidate for nomination by said party, including candidates for United States Senator, and State central committeemen. Within two (2) days after the completion of said canvass by said county canvassing board, the county clerk shall mail to the Secretary of State a certified copy of such tabulated statement of returns: *Provided, however*, that the number of votes cast for the nomination for offices, the certificate of election for which offices, under the general election laws, are issued by the county clerk, shall not be included in such certified copy of said tabulated statement of returns;

4. In the case of the nomination of candidates for offices, including United States Senator and State central committeemen, certified tabulated statement of returns for which are filed with the Secretary of State, such returns shall be canvassed by the Governor, Secretary of State and State Treasurer;

5. Where, in cities or villages which have a board of election commissioners, the returns of a primary are made to such board of election commissioners, said returns shall be canvassed by such board, and, excepting in the case of the nomination of candidates for any city or town office in such city, tabulated statements of the returns of such primary shall be made to the county clerk.

§ 58. Each of said canvassing boards, respectively, shall, upon completion of the canvassing of the returns, make proclamation of the result of said primary for each political party, and shall make and execute a certificate, and, unless a notice of contest shall have been filed with said canvassing board, ten (10) days after the completion of the canvass, shall file such certificates in the office of the Secretary of State, or in the office of the clerk whose duty it is to print the official ballot for the election for which the nomination is made, as the case may be, stating therein the name of each candidate of each political party so nominated, as shown by the returns, together with the name of the office for which he was nominated, including in the case of the State primary canvassing board, candidates for State central committeemen. In case a notice of contest shall be filed with any canvassing board, such canvassing board shall withhold its cer-

tificate until a certified copy of the decree or order of the Court hearing such contest shall have been filed with such canvassing board. The said canvassing board shall, within one (1) day after receiving a certified copy of said decree or order, proceed to finish the canvass of the returns as corrected by such decree, and make proclamation accordingly.

Upon the filing of said certificate in the office of the Secretary of State, or in the office of the proper clerk, as the case may be, the Secretary of State, or proper clerk, as the case may be, shall, within one (1) day thereafter, issue a certificate of nomination to each of the candidates so proclaimed nominated, except United States Senator.

The Secretary of State shall also issue a certificate of election to each of the persons shown by the returns and the proclamation thereof to be elected State central committeeman.

The county canvassing board, or the board of election commissioners, as the case may be, shall issue a certificate of election to the requisite number of persons of each political party shown by the returns to be elected members of the senatorial committee.

Sec. 59. The person receiving the highest number of votes at a primary as a candidate of a party for the nomination for an office shall be the candidate of that party for such office and his name as such candidate shall be placed on the official ballot at the election then next ensuing: *Provided*, that where there are two or more persons to be nominated for the same office or board, the requisite number of persons receiving the highest number of votes shall be nominated and their names shall be placed on the official ballot at the following election.

In the case of candidates for nomination for members of the board of assessors, where five are to be elected, four of whom are to be elected from any one city and the city has the requisite number, then the candidate for nomination living outside of such city having the highest number of votes of his party shall be nominated, and his name shall be placed on the official ballot at the following election.

The person receiving the highest number of votes of his party for State central committeeman of his congressional district shall be declared elected State central committeeman from said congressional district.

The requisite number of persons receiving the highest number of votes as candidates of their party in any county, or senatorial district, as the case may be, for senatorial committeemen shall be declared elected senatorial committeemen from such county or senatorial district.

When two or more persons receive an equal and the highest number of votes for the nomination for the same office or for committeeman of the same political party or where more than one person of the same political party is to be nominated as a candidate for office or committeeman, if it appears that more than the number of persons to be nominated for an office or elected committeemen, have the highest and an equal number of votes for the nomination for the same office or for election as committeemen, the board by which the returns of the

primary are canvassed shall decide by lot which of such persons shall be nominated or elected, as the case may be. In such case such canvassing board shall issue notice in writing to such persons of such tie vote, stating therein the place, the day (which shall not be more than five (5) days thereafter) and the hour when such nomination or election shall be so determined.

Sec. 60. When the nomination is made for an office to be filled by the electors of an entire county, and where it is the duty of the county clerk to prepare the official ballot for the election, it shall be the duty of the county clerk, under this Act, to place upon the official ballot to be voted at the election the names of all candidates nominated for office, as herein provided, as shown by the certificate of the canvassing board on file in his office.

When the nomination is made for an office to be filled by the electors of an entire city or village, including alderman, and where it is the duty of the city or village clerk to prepare the official ballot for the election, it shall be the duty of the city or village clerk, under this Act, to place upon the official ballot to be voted at the election the names of all candidates nominated for office, as herein provided, as shown by the certificate of the canvassing board on file in his office.

When the nomination is made for an office to be filled by the electors of an entire town, and where it is the duty of the town clerk to prepare the official ballot for the election, it shall be the duty of the town clerk, under this Act, to place upon the official ballot to be voted at the election, the names of all candidates nominated for office, as herein provided, as shown by the certificate of the canvassing board on file in his office.

Not less than fifteen (15) days before an election to fill any office, the Secretary of State shall certify to the county clerk of each county within which any of the electors may, by law, vote for such candidates for such offices, the name and description of each person nominated for such office, as shown by the certificate of the canvassing board on file in his office.

§ 61. Whenever a special election shall be necessary, the provisions of this Act shall be applicable to the nomination of candidates to be voted for at such special election. The officer or board or commission whose duty it is, under the general election laws of this State, to call an election shall fix a date for the primary for the nomination of candidates to be voted for at such special election. At least fifteen (15) days' notice shall be given of such primary.

In case a candidate who has been nominated under the provisions of this Act shall die before election or decline the nomination, or should the nomination for any other reason become vacant, the managing committee of the respective political parties for the territorial area in which such vacancy occurs, shall nominate a candidate or candidates of the respective parties to fill such vacancies on the ticket.

§ 62. In cities, having a board of election commissioners, the duties herein imposed upon the county, city or village clerk, as the case may be, shall be discharged by the board of election commissioners,

in the same manner, as near as may be, and to the same extent and with like effect that the similar duties imposed by this Act are discharged by the county, city or village clerk, as the case may be; and, the ballots for the nomination of all candidates to be voted for in such city, shall be printed by the board of election commissioners and the returns of the primary held in such city shall be made to such board of election commissioners.

§ 63. Any candidate whose name appears upon the primary ballot of any political party in any precinct may contest the election of the candidates nominated by his political party, upon the face of the returns, if he so desires, and may, in said county or any of the precincts thereof as to the office for which he was a candidate, contest the election in such county or precinct by filing with the clerk of the county court, except in the case of candidates for the nominations for State, congressional and senatorial offices and for the office of county judge, a petition in writing setting forth the grounds of contest, which petition shall be verified by the affidavit of the petitioner or other person, and which petition shall be filed within five (5) days after the completion of the canvas of the returns. The contestant shall also file with the canvassing board, which canvasses the returns for such nomination (and if for the nomination for an office, certified tabulated statements of the returns of which are to be filed with the Secretary of State) also with the county canvassing board, a notice of the pendency of the contest. In the case of a contest for the nomination for State, congressional and senatorial offices and for the office of county judge, said petition shall be filed in the office of the clerk of the circuit court.

Authority and jurisdiction are hereby vested in the county court or in the judge thereof in vacation, or in the circuit court or in the judges thereof in vacation, as the case may be, to hear and determine primary contests. When a petition to contest a primary shall be filed in the office of the clerk of the court, said petition shall forthwith be presented to the judge thereof, who shall note thereon the day of presentation, and shall also note thereon the day when he will hear the same, which shall not be more than five (5) days thereafter and shall order issuance of summons to each defendant named in the petition.

Summons shall forthwith issue to each defendant named in the petition and shall be served in the same manner as is provided in cases in chancery. Summons may be issued and served in any county in the State. The case may be heard and determined by the county or circuit court in term time, or by the judges thereof in vacation, at any time not less than three (3) days after service of process and shall have preference in the order of hearing to all other cases. The petitioner shall give security for all costs.

If, in the opinion of the Court, in which the petition is filed, the grounds for contest alleged are insufficient in law, the petition shall be dismissed. If the grounds alleged are sufficient in law, the Court shall proceed in a summary manner and may hear evidence, examine the returns, re-count the ballots and make such orders and enter such judgment as justice may require. The Court shall ascertain and declare by a decree, as in chancery, to be entered of record in the proper

court, the result of such election in the territorial area for which the contest is made. The judgment of the Court shall be final. A certified copy of said decree shall forthwith be made by the clerk of the court and transmitted to the board canvassing the returns for such office and in case of contest, if for nomination for an office, tabulated statements of returns for which are filed with the Secretary of State, also in the office of the county clerk of the proper county. The proper canvassing board, or boards, as the case may be, shall correct the returns or the tabulated statement of returns in accordance with said decree.

§ 64. Nothing in this Act contained shall be construed to prevent the nomination of independent candidates by petition as is now or may hereafter be provided by law.

§ 65. No spiritous, malt, vinous, or intoxicating liquor shall be sold or given away, nor shall any saloon, bar room or place where such liquor is sold or given away, be open during the holding of any primary. Whoever violates the provisions of this section shall be fined in a sum not less than twenty-five (25) nor more than one hundred (100) dollars. It shall be the duty of the sheriff, constable, coroner and other officers of the county, the magistrates and mayors of cities to see that the provisions of this section are enforced.

§ 66. If any person whose vote is challenged, or any witness sworn under the provisions of this Act, shall knowingly, wilfully and corruptly swear falsely, he shall be deemed guilty of perjury and on conviction thereof, shall be punished accordingly.

§ 67. (1) Whoever unlawfully votes more than once at any primary or offers to vote after having once voted at such primary, or knowing that he is not a qualified elector at a primary, wilfully votes at such primary, shall on conviction thereof be fined in a sum not exceeding one thousand (1,000) dollars, or imprisoned in the county jail not exceeding one (1) year, or both in the discretion of the Court;

(2) Whoever wilfully aids or abets any one not legally qualified to vote at a primary in voting or attempting to vote at such primary; or

(3) By unlawful means prevents or attempts to prevent any primary elector from attending or voting at a primary; or

(4) Gives or offers to give any valuable thing or bribe to any judge or clerk of a primary, as a consideration of some act to be done or omitted to be done contrary to his official duty in relation to such primary shall, on conviction thereof, be fined in a sum not exceeding one thousand (1000) dollars or imprisoned in the county jail not exceeding one (1) year, or both, in the discretion of the Court; any judge or clerk who shall receive, request or demand any bribe or reward forbidden by this Act shall, on conviction, be liable to the same penalties as prescribed in this Act for giving or offering to give such bribe or reward.

§ 68. (1) Any person who shall solicit, request, demand or receive, directly or indirectly, any money, intoxicating liquor or other thing of value, or the promise thereof, either to influence his vote, or

to be used, or under the pretense of being used to procure the vote of any other person or persons or to be used at any poll or other place prior to or on the day of a primary for or against any candidate for office, or for or against any measure or question to be voted upon at such primary, shall be deemed guilty of the infamous crime of bribery in primaries and upon conviction thereof in any court of record, shall be sentenced to disfranchisement by the judge of such court for a term of not less than five and not more than fifteen years, and to the county jail not less than three months nor more than one year, and to pay the cost of prosecution and stand committed to the county jail until such costs are fully paid. That for a conviction of a second offense under this section, the first being alleged and proven, such offender shall be by sentence of the court forever thereafter disfranchised and deprived of the right to vote at a primary in this State, and be imprisoned in the county jail not less than one year, and be committed to jail in default of the payment of costs of prosecution until such costs are fully paid. Prosecutions may be had under this section by indictment in the circuit court, or by information in the county courts, and the effect of a sentence of disfranchisement in either of said courts both having jurisdiction of offenses hereunder, shall be to deprive such persons sentenced of the right to vote at any primary within this State for the period of time fixed by the court where such person shall be convicted under this section. Any candidate, or other person paying, furnishing or promising to pay or furnish or bribing such person, with money, intoxicating liquor, or any other thing of value, or the promise thereof, shall not be liable to punishment therefor, but shall be a competent witness and compelled to testify in prosecutions under this section. Solicitations of any person or a loan of money, or the purchase of anything of value, or any other subterfuge, shall be deemed a violation thereof.

(2) Any person who shall have been legally convicted and disfranchised by a court of competent jurisdiction, who shall before the expiration of his term of disfranchisement, vote or offer to vote at any primary within this State shall, upon indictment and conviction thereof in a court of competent jurisdiction, be confined in the penitentiary for a term of years not less than one nor more than ten years.

§ 69. Whoever is disorderly at a primary shall forfeit a sum not exceeding twenty-five (25) dollars.

§ 70. Whoever bets or wagers any money, property or other valuable thing upon the result of the primary or bets or wagers money, property or other valuable thing upon the number of votes which may be given to any person at a primary, or who shall receive the greatest number of votes at a primary; or agrees to pay any other person any money, property or other valuable thing in the event that a primary shall result in one way or in the event that any person shall or shall not be nominated or shall receive a greater number of votes than others, upon conviction thereof shall be fined in a sum not exceeding one thousand (1000) dollars, or imprisoned in the county jail not exceeding one year, or both, in the discretion of the Court.

§ 71. (1) If any judge of a primary shall permit a person to vote, whose vote is challenged, without the proof required in this Act; or

(2) Shall knowingly and wilfully permit a person to testify as a witness contrary to the provisions of this Act; or

(3) Shall knowingly permit a person to vote who is not qualified according to law; or

(4) Shall knowingly receive and count more than one vote from the same person at the same primary for the same office, except as allowed by law; or

(5) Shall refuse to receive the vote of a qualified primary elector at such primary, who will make the affidavit of and proof required by this Act; or

(6) Shall be guilty of any fraud, corruption or manifest misbehavior; or

§ 76. If any person whose duty it is to canvass the returns or make a tabulated statement thereof, shall be guilty of fraud, corruption or misbehavior, in so canvassing the returns or making a tabulated statement thereof, he shall, upon conviction, be fined in any sum not

exceeding five hundred (500) dollars or be imprisoned in the county jail not exceeding one year, or both, in the discretion of the Court.

§ 78. § 79. If any person shall commit any act prohibited herein or refrain from doing any act or duty required to be done herein, and if any person shall in any manner be guilty of a violation of this Act, whether the same is denominated an offense or not, and for which no punishment is herein specially provided, such person shall, upon conviction thereof, be fined in a sum not less than twenty-five (25) nor more than one hundred (100) dollars, or imprisoned in the county jail not exceeding one year, or both, in the discretion of the Court.
